

### Remarks

In response to the Office Action of March 18, 2008, it is noted that the Examiner requested that the product by process claims be resubmitted as process claims. In that regard, the product by process claims were redrafted as process claims.

It is now believed that the RCE application is now in condition for examination and allowance, and such is earnestly solicited.

Respectfully,

Gregory N. Clements  
Attorney for Applicants – Reg. No. 30713
